

**Begell House, Inc. Online Products
Institutional Trial Access License**

SECTION I

By this License between Begell House, Inc. and the institution named below (“Trialing Institution” or “Trialing Institution”). Begell House, Inc. grants the Trialing Institution, at its Authorized Sites, the right to access, via the Begell Digital Library online service, the full text electronic versions of the Begell House journals (the “Online Journals”), proceedings (the “Online Proceedings”), databases (the “Online Databases”), references (the “Online References”), and electronic books (the “E-Books”) (collectively referred to herein as “Online Products”) for which the Trialing Institution maintains a subscription, subject to the Terms and Conditions set forth in Section II, all of which are hereby agreed to by Begell House, Inc. and the Trialing Institution

Trialing Institution: _____
Address: _____

Trialing Institution Account # (if known): _____
Authorized Sites: _____

Contact person responsible for administration of online journal(s): _____
Address: _____
Telephone: _____ Fax: _____ E-mail: _____

Trial Period: Trials are optional and are made available at Begell House, Inc.’s sole option free of charge for a single thirty (30) day period. The trial period starts on an agreed upon commencement date. A given institution is allowed only one free of charge trial. The Online Products included in the trial are dependent upon the business negotiation between the Trialing Institution and Begell House, Inc.

Please check the collection for which a subscription for online access is to be licensed to the Subscribing Institution.

The Begell Digital Portal (BDP): The BDP is comprised of all collections and products developed by Begell House. It includes the current year and all available archives of online journals, proceedings and references, which are listed in Attachment 1 herein. Begell House, Inc. reserves the right to amend the list at its sole discretion at any time during the Term of this Agreement.

The Begell Digital Portal

The Begell Digital Library (BDL): The BDL is comprised of the current volumes of all of the Online Products, plus the available archive volumes of Online Journals, which are listed in Attachment 1 herein. Begell House, Inc. reserves the right to amend the list at its sole discretion at any time during the Term of this Agreement.

The Begell Digital Library

The Begell House Collections: These consist of groupings of Online Products into technology areas. Begell House currently offers the following Collections:

- Begell Multimedia Collection*
- Engineering Research Collection*
- Biomedical Research Collection*

Begell House Online Journals: Please check each Begell House journal for which a subscription for online access is to be licensed (subject to amendment due to future subscription purchases or cancellations). Check this section only if individual titles are being ordered.

Begell House Multimedia Products: Please check each Begell House Multimedia Product for which a subscription for online access is to be licensed (subject to amendment due to future subscription purchases or cancellations). Check this section only if individual titles are being ordered:

- Heat Exchanger Design Handbook Multimedia Edition*
- THERMOPEDIA™*
- International Journal on Innovations in Online Education*

Begell House Online Proceedings: Please check each Begell House Online Proceeding for which a subscription for online access is to be licensed (subject to amendment due to future subscription purchases or cancellations). Check this section only if individual titles are being ordered:

- Annals of the Assembly for International Heat Transfer Conference 13*
- American Society of Thermal and Fluids Engineers Digital Library*
- International Centre for Heat and Mass Transfer (ICHMT Digital Library)*
- International Heat Transfer Conference Digital Library (IHTC Digital Library)*
- Turbulence and Shear Flow Phenomena Digital Library*

Begell House Online Databases: Please check each Begell House Online Database for which a subscription for online access is to be licensed (subject to amendment due to future subscription purchases or cancellations). Check this section only if individual titles are being ordered.

- The Catalog of Worldwide Nuclear Testing*
- Directory of Specialists in Thermal & Fluids Science and Engineering*

Begell House Online References: Please check each Begell House Online Database for which a subscription for online access is to be

SECTION II

TERMS and CONDITIONS

1. License; Authorized Sites and Users

Begell House, Inc., grants the Trialing Institution a nonexclusive, non-transferable, revocable right and license to access and use, and to permit Authorized Users to access and use, the Begell Digital Library online service and, from such service, to access and use the Trialing Institution's Online Products, provided always that such access and use is made through a secure network under the Trialing Institution's control located at the Trialing Institution's Authorized Sites, all subject to the terms and conditions described in this Agreement, and Trialing Institution agrees to pay the License Fee set forth in Section I. Begell House, Inc. shall not be required to distribute, and the Trialing Institution shall not redistribute, the Begell Digital Library online service or the Trialing Institution's Online Products to a country where the export thereof is prohibited by U.S. law or regulation.

This License is granted for the personal, non-commercial use of the Trialing Institution and Authorized Users for purposes of evaluating the Begell House Inc. content. The number of concurrent Authorized Users who may access the full text of the Trialing Institution's Online Products at the Begell Digital Library online service is limited to the number of authorized IP addresses set forth in Section I of this License. The Begell Digital Library online service includes the Trialing Institution's Online Products, any additional features that Begell House, Inc. may choose to provide from time to time, and any restrictions on use apply to all online materials accessed under this License.

"**Authorized Sites**" are a plurality of geographically remote campuses, complexes or office buildings that are under a single administration at which only the Trialing Institution and Authorized Users can access the Trialing Institution's secure network using an authorized IP address (set forth in Section I of this License). For an institution that has multiple locations in the same city that are administered independently, each location is not considered to be a different site. Access from remote sites is permitted under this License if the sites are disclosed. No consortia or other forms of subscription sharing are allowed under this License.

"**Authorized Users**" are individuals who are authorized by the Trialing Institution to access the Trialing Institution's information services available through the Trialing Institution's secure network at the Authorized Sites using an authorized IP address (set forth in Section I of this License) and who are: (a) officially affiliated or currently employed or registered with the Trialing Institution at the Authorized Sites, whereby they are permitted such access in the Trialing Institution's ordinary course of business, whether from a computer terminal located at the Authorized Sites or via remote access administered from the Authorized Sites to an authorized IP address; and (b) persons from the general public or invitees of the Trialing Institution who are occasional users of the Trialing Institution's information services at the Authorized Sites, whereby they are permitted such access from designated computer terminals located at the Authorized Sites in premises directly controlled by the Trialing Institution.

2. Permitted Uses

The Trialing Institution may, and may permit Authorized Users to:

- a. access the Trialing Institution's Online Products, from the Begell Digital Library online service, to search, view, retrieve and display the contents thereof;
- b. download and print out single copies of search results and individual articles or other content from the Trialing Institution's Online Products, solely for the purpose of evaluating the content for appropriateness for private use or scholarly, educational, or scientific research of the Trialing Institution or the Authorized

User, provided each such copy includes the appropriate copyright notice;

The Trialing Institution and Authorized Users may only use this online access in a way that conforms to all applicable laws and regulations. Nothing in this License shall in any way exclude, modify, or affect anything the Trialing Institution or an Authorized User is permitted to do in respect of the Trialing Institution's Online Products under the "fair use" and other provisions of the U.S. Copyright Act of 1976, as amended.

The Trialing Institution specifically agrees that use by the Trialing Institution or Authorized Users other than as permitted above is a material breach of the terms of this License.

3. Prohibited Uses

The Trialing Institution shall not, and shall not permit Authorized Users to:

- a. allow or provide access to the Begell Digital Library online service and the Trialing Institution's Online Products to anyone other than an Authorized User;
- b. copy, store in a retrieval system, distribute, display, transfer, transmit, or otherwise make available any content from the Trialing Institution's Online Products, in any form or medium, except as specifically set forth in paragraph 2;
- c. sell, re-sell, rent, lease, loan, transfer, or otherwise use for commercial purpose any content from the Trialing Institution's Online Products;
- d. systematically make multiple copies of content from the Trialing Institution's Online Products; use robots, spiders, or intelligent agents to access, search, and/or systemically download content from the Trialing Institution's Online Products;;
- e. use, copy, or transmit any content from The Begell Digital Library for use, copy, or transmit any content from the Trialing Institution's Online Products for service bureau redistribution services, fee-for-service purposes, information brokerage, or systematic distribution, whether or not for a fee or free of charge;
- f. combine or integrate content from the Trialing Institution's Online Products with other materials in electronic reserves, course packs, databases, or other collections, without the prior express written permission of the copyright holder;
- g. alter, modify, adapt, or otherwise create derivative works based on any Trialing Institution's Online Products; and
- h. circumvent Begell House, Inc.'s access control systems or use Begell House, Inc.'s systems or services to make any attempt to gain unauthorized access to any materials or other system or network, or do anything to restrict or inhibit any Authorized User's access to or use of the Begell Digital Library online service and the Trialing Institution's Online Products.

4. Copyright

The Online Products and the content contained therein are copyrighted by Begell House, Inc. or third parties designated in individual products; the Begell Digital Library online service is copyrighted by Begell House, Inc. or its licensors. The Trialing Institution acknowledges that the Begell Digital Library online service, the Online Products, and the content contained therein are subject to all applicable copyright, database protection, and other rights of the stated owner under the laws of the United States and other countries. The Trialing Institution acknowledges that it acquires no claim to ownership by reason of its use of or access to the Trialing Institution's Online Products and has no rights in or to the Online Products other than as set forth in this

License. All rights, whether now existing or which may hereafter come into existence, in the Begell Digital Library online service, the Online Products, and the content contained therein that are not expressly granted herein to the Trialing Institution are reserved. Unauthorized copying or redistribution of any content from the Online Products or the Begell Digital Library online service is a violation of copyright laws.

5. Responsibilities of the Trialing Institution

The Trialing Institution will:

- a. maintain up-to-date records of all the Trialing Institution's authorized IP addresses and give written notification to Begell House, Inc. of any additions, deletions, or other revisions to the authorized IP addresses set forth in Section I of this License;
- b. make access available to Authorized Users only through the Trialing Institution's secure network using the authorized IP addresses set forth in Section I of this License (as same may be revised by the Trialing Institution with written notice to Begell House, Inc.); undertake reasonable access control and security measures to ensure authorized IP addresses are not used to access the Begell Digital Library online service or the Trialing Institution's Online Products by other than Authorized Users; and terminate any unauthorized access of which the Trialing Institution has actual notice or knowledge;
- c. use common and reasonable methods to inform Authorized Users of the terms and conditions set forth in the following paragraphs of this License: 2 (Permitted Uses); 3 (Prohibited Uses); 4 (Copyrights), and 7.c. (Suspension), and such other provisions as the Trialing Institution deems appropriate to enforce the terms of this License and prevent the unauthorized use of the Begell Digital Library online service and the Trialing Institution's Online Products and the content contained therein;
- d. promptly notify Begell House, Inc. of any unauthorized use of the Trialing Institution's Online Products or other breach of the terms and conditions of this License which comes to the Trialing Institution's attention; and immediately on becoming aware or being notified by Begell House, Inc. of any unauthorized use or other breach, make every attempt to enforce the terms of this License and take reasonable steps, including appropriate disciplinary action, both to ensure that such activity ceases and to prevent any recurrence;
- e. cooperate with Begell House, Inc. in the investigation of any copyright infringement or unauthorized use of the Begell Digital Library online service or the Online Products by an Authorized User or others, and in any efforts undertaken by Begell House, Inc. to enforce and protect their respective rights; and
- f. be responsible for the payment of any taxes (including but not limited to any applicable value-added, sales, use, and import taxes), other than taxes on Begell House, Inc.'s net income, arising out of the Trialing Institution's use of the Begell Digital Library online service, the Trialing Institution's Online Journals and/or the rights granted under this License.

6. Responsibilities of Begell House, Inc.

Begell House, Inc. will:

- a. provide the Trialing Institution with information sufficient to enable access to the Trialing Institution's Online Products after verification by Begell House, Inc. of the Trialing Institution's authorized IP addresses set forth in Section I of this License, and after receipt of written notice from the Trialing Institution and verification by Begell House, Inc. of any additions, deletions, or other revisions to the Trialing Institution's authorized IP addresses;

- b. make available for access on the Begell Digital Library online service the electronic version of each issue of each Trialing Institution's Online Product promptly after it is available; and

7. Term and Termination

- a. This License will become effective upon receipt by Begell House, Inc. of the License signed by an authorized agent of the Trialing Institution. Unless terminated sooner for cause in accordance with subparagraphs b and c below, this License will remain in effect only until the specified end date of the trial period.
- b. This License may be terminated for cause by either party with respect to all Trialing Institution's Online Products if the other party commits a material or persistent breach of any term of this License and fails to remedy the breach (if capable of remedy) within thirty (30) days after written notification by the other party.
- c. Notwithstanding subparagraph b above, Begell House, Inc. reserves the right to suspend access to the Begell Digital Library online service and all Trialing Institution's Online Products immediately, without prior notice to the Trialing Institution, upon detecting a material or persistent violation of a provision of either paragraph 2 (Permitted Uses) or paragraph 3 (Prohibited Uses) of this License. Begell House, Inc. will use reasonable efforts to notify the Trialing Institution promptly by fax or e-mail about any such suspension. The suspension shall remain in effect until the Trialing Institution has remedied such violation to the reasonable satisfaction of Begell House, Inc. If no remedy has been affected within thirty (30) days after notification of suspension, Begell House, Inc. may terminate this License immediately by written notice to the Trialing Institution. If, after having been satisfactorily remedied, the same or any other violation of either paragraph 2 (Permitted Uses) or paragraph 3 (Prohibited Uses) is detected by Begell House, Inc., then Begell House, Inc. may terminate this License with respect to all Trialing Institution's Online Products immediately by written notice to the Trialing Institution, without affording an opportunity to remedy. At the written request of Begell House, Inc., the Trialing Institution will terminate or suspend access to the Begell Digital Library online service and the Trialing Institution's Online Products by an Authorized User who Begell House, Inc. identifies as having violated a provision of either paragraph 2 (Permitted Uses) or paragraph 3 (Prohibited Uses) of this License.

8. Archive Rights

After termination of this License with respect to all or any of the Trialing Institution's Online Products, Begell House, Inc. will not provide the Trialing Institution with continuing access to the issues of such Trialing Institution's Online Journals published during the term for which a trial of online access was conducted.

9. Warranty and Disclaimers

Begell House, Inc. warrants that it has the power to enter into this License and the right and authority to grant the rights conferred herein to the Trialing Institution.

THE BEGELL DIGITAL LIBRARY ONLINE SERVICE, THE TRIALING INSTITUTION'S ONLINE PRODUCTS, AND ALL MATERIALS CONTAINED THEREIN ARE PROVIDED ON AN "AS IS" BASIS. ACCESS TO THE BEGELL DIGITAL LIBRARY ONLINE SERVICE AND THE TRIALING INSTITUTION'S ONLINE PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE. THE USE OF THE BEGELL DIGITAL LIBRARY ONLINE SERVICE, THE TRIALING INSTITUTION'S ONLINE PRODUCTS, AND ALL MATERIALS CONTAINED THEREIN IS AT THE USER'S OWN RISK. Except as provided above, BEGELL HOUSE,

INC. MAKES NO WARRANTIES WHATSOEVER, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, AVAILABILITY, PERFORMANCE, OR ACCURACY; AND BEGELL HOUSE, INC. EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY, QUALITY, NONINFRINGEMENT, AND/OR FITNESS FOR A PARTICULAR PURPOSE.

10. Limitation of Liability; Indemnification

To the maximum extent permitted by applicable law, IN NO EVENT SHALL BEGELL HOUSE, INC. OR THEIR OFFICERS, DIRECTORS, SHAREHOLDERS, EMPLOYEES, OR AGENTS BE LIABLE UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHER LEGAL THEORY FOR ANY CONSEQUENTIAL, EXEMPLARY, SPECIAL, DIRECT, INDIRECT, INCIDENTAL, OR PUNITIVE DAMAGES OR LOST REVENUE, LOST PROFITS, OR ANTICIPATED BUSINESS (EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING FROM OR RELATING TO THIS LICENSE, THE SUBJECT MATTER HEREOF, OR IN CONNECTION WITH THE USE, INABILITY TO USE, MALFUNCTION, INACCURACIES, ERROR, DEFECT, OR FAILURE OF THE BEGELL DIGITAL LIBRARY ONLINE SERVICE OR THE ONLINE PRODUCTS.

THE AGGREGATE LIABILITY OF BEGELL HOUSE, INC. FOR ANY OTHER DAMAGES ARISING FROM OR RELATING TO THIS LICENSE, HOWEVER CAUSED, UNDER ANY THEORY OF LIABILITY SHALL NOT EXCEED THE AMOUNT PAID BY THE TRIALING INSTITUTION FOR THE ONLINE JOURNAL SUBSCRIPTION FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH DAMAGES OCCURRED. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against Begell House, Inc. unless suit is filed thereon within one (1) year after the event giving rise to the claim.

Begell House, Inc. shall not be liable for any failure to perform or delay in performance hereunder due to unforeseen circumstances or resulting from a cause over which Begell House, Inc. does not have direct control, including, but not limited to, failure of electrical, mechanical, or telecommunications equipment, transmission error, theft, hacker attacks, or software or equipment incompatibilities.

The Trialing Institution assumes sole responsibility for all access and use of the Begell Digital Library online service and the Trialing Institution's Online Products by the Trialing Institution and by each Authorized User. The Trialing Institution shall not be liable for unauthorized use or other breach of this License by an Authorized User provided that the Trialing Institution did not cause, condone, consent to, or knowingly assist in such breach, or, after becoming aware of the occurrence of a breach, failed to take reasonable steps to prevent the continuation of such breach. Subject to the foregoing, the Trialing Institution shall hold Begell House, Inc. harmless from and against any and all liabilities, damages, judgments, settlements, losses, and expenses (including reasonable attorneys' fees and expenses, experts' fees, and court costs for Begell House, Inc.'s defense of indemnified claims) incurred by reason of any claim asserted by third parties against

Begell House, Inc. arising out of or resulting from any unauthorized use of the content from Trialing Institution's Online Products by the Trialing Institution or Authorized Users in violation of this License, or any violation of any third-party's rights by the Trialing Institution or Authorized Users, including, but not limited to, infringement of copyright.

11. General

- a. Begell House, Inc. may assign this License to its successors, subsidiaries, or assigns. This License may not be assigned by the Trialing Institution except with the prior written consent of Begell House, Inc., which shall not be unreasonably withheld.
- b. All notices required or which may be given hereunder shall be in writing and shall be sent in any manner requiring a signed and dated receipt or equivalent record of delivery, to the address of the party set forth in Section I of this License or to such other address or attention of such other person as a party may from time to time designate by notice given pursuant this provision. A notice shall be deemed given and effective upon the date of receipt as so recorded and in the absence of such record it shall be presumed to have been received five (5) days after dispatch.
- c. Neither party shall be deemed in breach or default of this License to the extent that performance of its obligations or attempts to effect cure are delayed or prevented by reason of any natural disaster, accident, civil disorder, act of terrorism, war, government restriction, shortage of materials or supplies, or any other cause beyond the reasonable control of such party.
- d. The provisions of paragraphs 2, 3, 4, 5, 8, 9, 10, and 11 of this License shall survive any expiration or termination of this License.
- e. This License shall be construed and interpreted pursuant to the laws of the State of New York applicable to contracts wholly entered into and performed in the State of New York, excluding that body of law dealing with conflict of laws. Any legal action, suit or proceeding arising out of or relating to this License or the breach hereof shall be instituted in a court of competent jurisdiction in New York County in the State of New York and each party hereby consents and submits to the personal jurisdiction of such court, waives any objection to venue in such court, and consents to the service of process by registered or certified mail, return receipt requested, at the last known address of such party.
- f. This License constitutes the entire agreement between the parties and supersedes all prior oral and written understandings between the parties with respect to the subject matter hereof. The headings used in this License are for convenience only and are not to be considered in construing the terms of this License. No modification, amendment, or waiver of any provision of this License shall be valid unless in writing and signed by both parties. The failure of either party to require performance; or to claim a breach, of any provision of this License by the other shall not be construed as a waiver of such performance at any subsequent time or a waiver of any subsequent breach of such provision or any other provision of this License.

Please read the Terms and Conditions in Section II. By signing below you certify that you have read and agree to abide by all such Terms and Conditions and you certify that you are authorized to sign this License on behalf of the Trialing Institution named above.

Attachment 1: Component Content of the Begell Digital Portal (BDP) and the Begell Collections

1. The Begell Digital Portal (BDP) is comprised of the following products and collections:

- Begell Digital Library
- Begell Multimedia Collection
- Begell eBook Platform
- The Engineering Research Collection
- The Biomedical Research Collection
- American Society of Thermal and Fluids Engineers Digital Library
- International Heat Transfer Conference Digital Library
- Turbulence and Shear Flow Phenomena Digital Library

2. The Begell Digital Library (BDL) is comprised of the following titles:

- *Journal Titles*
 - Atomization and Sprays™
 - Composites: Mechanics, Computations, Applications, An International Journal
 - Computational Thermal Sciences: An International Journal
 - Critical Reviews™ in Biomedical Engineering
 - Critical Reviews™ in Eukaryotic Gene Expression
 - Critical Reviews™ in Immunology
 - Critical Reviews™ in Neurobiology (*Archive Only*)
 - Critical Reviews™ in Oncogenesis
 - Critical Reviews™ in Physical and Rehabilitation Medicine
 - Critical Reviews™ in Therapeutic Drug Carrier Systems
 - Ethics in Biology, Engineering and Medicine; An International Journal
 - Forum on Immunopathological Diseases and Therapeutics
 - Heat Pipe Science and Technology
 - Heat Transfer Research
 - High Temperature Material Processes: An International Journal
 - Hydrobiological Journal
 - Interfacial Phenomena and Heat Transfer
 - International Journal for Energetic Materials and Chemical Propulsion
 - International Journal for Multiscale Computational Engineering
 - International Journal for Uncertainty Quantification
 - International Journal of Energetic Materials and Chemical Propulsion
 - International Journal of Energy for a Clean Environment
 - International Journal of Fluid Mechanics Research
 - International Journal of Medicinal Mushrooms
 - International Journal on Algae
 - Journal of Automation and Information Sciences
 - Journal of Enhanced Heat Transfer
 - Journal of Environmental Pathology, Toxicology and Oncology
 - Journal of Flow Visualization and Image Processing
 - Journal of Long-Term Effects of Medical Implants
 - Journal of Porous Media
 - Journal of Radio Electronics (*Archive Only*)
 - Journal of Women and Minorities in Science and Engineering
 - Multiphase Science and Technology
 - Nanomechanics Science and Technology: An International Journal
 - Neuropathological Diseases (*Archive Only*)
 - Plasma Medicine
 - Radio Physics and Radio Astronomy (*Archive Only*)
 - Special Topics and Reviews in Porous Media
 - Telecommunications and Radio Engineering
 - TsAGI Science Journal
 - Visualization, Image Processing and Computation in Biomedicine (*Archive Only*)
 - Visualization of Mechanical Processes (*Online Only*)
- *Database Titles*
 - The Catalog of Worldwide Nuclear Testing
 - Thermopedia™
 - Directory of Specialists in Thermal & Fluids Science and Engineering
- *Reference Titles*
 - Annual Reviews of Heat Transfer [Volumes 1-19] (ARHT)
 - Electrospinning of Micro- and Nano-Fibers: Fundamentals in Separations and Filtration Processes

- Heat Exchanger Design Handbook Online
 - *eBook Titles*
 - Series in Thermal & Fluid Physics and Engineering
 - *Proceedings Titles*
 - Annals of the Assembly for International Heat Transfer Conference 13
 - International Centre for Heat and Mass Transfer (ICHMT Digital Library)
- 3. The Begell Multimedia Collection is comprised of the following titles:**
- Heat Exchanger Design Handbook Multimedia Edition
 - THERMOPEDIA™
 - International Journal on Innovations in Online Education
- 4. The Begell Engineering Research Collection is comprised of the following titles:**
- *Journal Titles*
 - Atomization and Sprays™
 - Composites: Mechanics, Computations, Applications, An International Journal
 - Computational Thermal Sciences: An International Journal
 - Critical Reviews™ in Biomedical Engineering
 - Heat Pipe Science and Technology
 - Heat Transfer Research
 - High Temperature Material Processes: An International Journal
 - Interfacial Phenomena and Heat Transfer
 - International Journal for Multiscale Computational Engineering
 - International Journal for Uncertainty Quantification
 - International Journal of Energetic Materials and Chemical Propulsion
