SECTION II

TERMS and CONDITIONS

1. License; Authorized Site and Users

Begell House, Inc., grants the Subscriber a nonexclusive, non-transferable, revocable right and license to access and use, and to permit Authorized Users to access and use, the Begell Digital Library online service and, from such service, to access and use the Online Journal(s) for which the Subscriber maintains a subscription (as indicated in Section I of this License), provided always that such access and use is made through a secure network under the Subscriber's control located at the Subscriber's Authorized Site, all subject to the terms and conditions described in this Agreement. Begell House, Inc. shall not be required to distribute, and the Subscriber shall not redistribute, the Begell Digital Library online service or any Online Journal to a country where the export thereof is prohibited by U.S. law or regulation.

This License is granted for the personal, non-commercial use of the Subscriber and Authorized Users for purposes of research, teaching and private study. The number of Authorized Users who may access the full text of the subscribed Online Journals concurrently is limited to the number of authorized IP addresses set forth in Section I of this License. The Begell Digital Library online service includes the Online Journals and any additional features that Begell House, Inc. may choose to provide from time to time, any restrictions on use apply to all online materials accessed under this License.

An "Authorized Site" is a single, geographically contiguous campus, complex, or office building location that is under a single administration at which only the Subscriber and Authorized Users can access the Subscriber's secure network using an authorized IP address (set forth in Section I of this License). For an institution with locations in more than one city, each city is considered to be a different site. For an institution that has multiple locations in the same city that are administered independently, each location is considered to be a different site. No access from remote sites and no consortia or other forms of subscription sharing are allowed under this License.

"Authorized Users" are individuals who are authorized by the Subscriber to access the Subscriber's information services available through the Subscriber's secure network at the Authorized Site using an authorized IP address (set forth in Section I of this License) and who are: (a) officially affiliated or currently employed or registered with the Subscriber at the Authorized Site, whereby they are permitted such access in the Subscriber's ordinary course of business, whether from a computer terminal located at the Authorized Site or via remote access administered from the Authorized Site to an authorized IP address; and (b) persons from the general public or invitees of the Subscriber who are occasional users of the Subscriber's information services at the Authorized Site, whereby they are permitted such access from designated computer terminals located at the Authorized Site in premises directly controlled by the Subscriber.

2. Permitted Uses

The Subscriber may, and may permit Authorized Users to:

- a. access the subscribed Online Journals, from the Begell Digital Library online service, to search, view, retrieve and display the contents thereof;
 - b. download, copy, save to hard disk or diskette, and print out single copies of search results and individual articles or other content from the subscribed Online Journals, solely for the private use or scholarly, educational, or scientific research of the Subscriber or the Authorized User, provided each such copy includes the appropriate copyright notice;
 - c. transmit a copy of individual articles or other content from the subscribed Online Journals, in hard copy or electronically, to a third party colleague or other individual in "person-to-person," non-systematic scholarly exchanges of information, provided each such copy includes the appropriate copyright notice and the customary acknowledgment of the source; and
 - d. use brief excerpts from individual articles and other content of the subscribed Online Journals in their own scientific, scholarly, and educational works, provided each such copy includes the appropriate copyright notice and the customary acknowledgment of the source.

Nothing in this License shall in any way exclude, modify, or affect anything the Subscriber or an Authorized User is permitted to do in respect of the Online Journals under the U.S. Copyright Act of 1976, as amended. Notwithstanding the foregoing, the Subscriber may fulfill interlibrary loan requests for content from the subscribed Online Journals in hard-copy by mail or fax only and in compliance with Section 108 of the Act and with the guidelines developed by the National Commission on New Technological Uses of Copyrighted Works (CONTU Guidelines) and published in U.S. Copyright Office Circular 21. The Subscriber specifically agrees that use by the Subscriber or Authorized Users other than as permitted above is a material breach of the terms of this License.

- a. allow or provide access to the Begell Digital Library online service and the Online Journals to anyone other than an Authorized User;

- c. use common and reasonable methods to inform Authorized Users of the terms and conditions set forth in the following paragraphs of this License: 2 (Permitted Uses); 3 (Prohibited Uses); 4 (Copyrights), and 7.c. (Suspension), and such other provisions as the Subscriber deems appropriate to enforce the terms of this License and prevent the unauthorized use of the Begell Digital Library online service and the Online Journals and the content contained therein;
- d. promptly notify Begell House, Inc. of any unauthorized use of the Online Journals or other breach of the terms and conditions of this License which comes to the Subscriber's attention; and immediately on becoming aware or being notified by Begell House, Inc. of any unauthorized use or other breach, make every attempt to enforce the terms of this License and take reasonable steps, including appropriate disciplinary action, both to ensure that such activity ceases and to prevent any recurrence;
- e. cooperate with Begell House, Inc. in the investigation of any copyright infringement or unauthorized use of the Begell Digital Library online service or the Online Journals by an Authorized User or others, and in any efforts undertaken by Begell House, Inc. to enforce and protect their respective rights; and

6. Responsibilities of Begell House, Inc.

Begell House, Inc. will:

- a. provide the Subscriber with information sufficient to enable access to the subscribed Online Journals after verification by Begell House, Inc. of the Subscriber's authorized IP addresses set forth in Section I of this License, and after receipt of written notice from the Subscriber and verification by Begell House, Inc. of any additions, deletions, or other revisions to the Subscriber's authorized IP addresses;
- b. make available for access on the Begell Digital Library online service the electronic version of each issue of each subscribed Online Journal promptly after it is available; and
- c. after termination of this License, provide the Subscriber with continuing access to the issues of the Online Journals to which the Subscriber subscribed, in accordance with paragraph 8.

7. Term and Termination

- a. This License will become effective upon receipt by Begell House, Inc. of the License signed by an authorized agent of the Subscriber. Unless terminated sooner for cause in accordance with subparagraphs b and c below, this License will remain in effect with respect to each Online Journal while the Subscriber maintains a current paid subscription for online access or which includes online access to that Online Journal, and the License shall renew automatically for the term of any renewal subscription to that Online Journal upon receipt by Begell House of payment for that renewal subscription. This License will terminate with respect to each Online Journal when the Subscriber's paid subscription to that Online Journal lapses, and in such event the effective date of termination of this License with respect to that Online Journal shall be the last day of the paid subscription period. Upon lapse of subscription, no additional service shall be provided, except as set forth in paragraph 8.
- b. This License may be terminated for cause by either party with respect to all Online Journals if the other party commits a material or persistent breach of any term of this License and fails to remedy the breach (if capable of remedy) within thirty (30) days after written notification by the other party.
- c. Notwithstanding subparagraph b above, Begell House, Inc. reserves the right to suspend access to the Begell Digital Library online service and all Online Journals immediately, without prior notice to the Subscriber, upon detecting a material or persistent violation of a provision of either paragraph 2 (Permitted Uses) or paragraph 3 (Prohibited Uses) of this License. Begell House, Inc. will use reasonable efforts to notify the Subscriber promptly by fax or e-mail about any such suspension. The suspension shall remain in effect until the Subscriber has remedied such violation to the reasonable satisfaction of Begell House, Inc. If no remedy has been affected within thirty (30) days after notification of suspension, Begell House, Inc. may terminate this License immediately by written notice to the Subscriber. If, after having been satisfactorily remedied, the same or any other violation of either paragraph 2 (Permitted Uses) or paragraph 3 (Prohibited Uses) is detected by Begell House, Inc., then Begell House, Inc. may terminate this License with respect to all Online Journals immediately by written notice to the Subscriber, without affording an opportunity to remedy. At the written request of Begell House, Inc., the Subscriber will terminate or suspend access to the Begell Digital Library online service and the Online Journals by an Authorized User who Begell House, Inc. identifies as having violated a provision of either paragraph 2 (Permitted Uses) or paragraph 3 (Prohibited Uses) of this License.

8. Archive Rights

After termination of this License with respect to all or any of the subscribed Online Journals, Begell House, Inc. will provide the Subscriber with continuing access to the issues of such Online Journals published during the term for which a paid subscription for online access or which included online access was maintained for each such journal, either by continuing online access to the same material either from Begell House, Inc.'s server or a third party's server, or by supplying electronic files of the content of such Online Journal issues in a physical archival storage medium selected by Begell House, Inc., at a cost-based fee. The Subscriber will be permitted to copy that content from the physical archive copy to the Subscriber's information systems at the Authorized Site. The terms and conditions of paragraphs 2, 3, 4, 5, 9, and 10 of this License shall apply to the use of the archive copy.
